Procedure

BABHA or contracted provider staff shall assist individuals and/or families to pursue educational goals. Such goals would be identified in the assessment process or any ongoing progress reviews. Consultation with school counselors/teachers will occur to foster an educational plan that will meet State requirements and allow the individual to pursue areas of study that are of interest to him/her. This shall include public schools, Intermediate School District programs, adult education, colleges, and vocational training schools. Staff shall attend and participate in planning meetings and consultations as needed.

Individuals receiving services from BABHA or a BABHA contract provider will be encouraged and assisted in making applications to schools/educational programs based upon their desires as well as their parent/guardian's desires. BABHA and contract provider will cooperate with schools/educational programs in establishing educational goals that will improve the individual's quality of life. A Release of Information must be signed by the individual or his or her applicable parent/guardian before any information can be exchanged with the school/educational program.

The BABHA or contract provider staff shall document the individual's education needs or desires on the assessment and treatment plan, if applicable. The staff member shall also document efforts and actions taken to support an individual's educational goals and desires.
