### Provider Listing

We have made this listing of Bay-Arenac Behavioral Health Authority (BABHA) service providers to help you make decisions about where you get your services. While this list can change over time we update it often. We will offer you a current copy yearly. Please note that you can call BABHA's Customer Service Department at 1 888 482-8269 at any time for an updated network provider list. Also note that any temporary restrictions of freedom of choice will be discussed with you or the recipient of services at the time of intake and/or periodic person-centered plan development. Also note that the choice of service providers will vary depending on each provider's openings and possibly the type of funding used for your services.

We offer interpreters for sign language or languages other than English for both telephone calls and face-to-face activities with us or members our provider network, free of charge. BABHA's Recipients Right/Customer Services Department can also give you a list of languages used by our provider network. To call Customer Services about language needs call Michigan Relay by dialing "7-1-1" and ask them to connect you to 1 888 482-8269.

For any questions or concerns about our services or our provider network call our Customer Services Department. Customer Services can also provide you with information about how to get services through our provider network and mental health resources.
